

Fifty Shades of Brownies

Use two packs of Ghirardelli brownie mix for Costco (follow the baking and mixing instructions on package).

Flatten the Pillsbury chocolate cookie dough over entire bottom of glass baking tray.

I go to bulk barn and buy,

-snicker bits

-mini reeses pieces

-mini m&m's

-mini white chocolate chips

-mini Reese peanut butter cups

-mini rolos

-crushed score toffee bits

Cut them up into small pieces

Sprinkle half of chopped up candy over cookie dough.

Pour brownie batter over the cookie dough and sprinkle second half of candy on top of brownie batter.

Bake to Ghirardelli's baking instructions.

Cool and cover in chocolate icing then sprinkle more candy pieces over the icing.

Sinfully delicious!!!
